Case No. 3:14-cv-05180 EMC

**MOTION TO REMOVE INCORRECTLY
FILED DOCUMENT AND EXTEND
TIME TO FILE**

The Plaintiff, Paul Somers, requests the removal of Document 103, "Discovery Letter Brief" filed by the Defendant on 5/25/2016. The information filed with the Court is not the same as the example signed and approved by the Plaintiff. The Defendant inadvertently added exhibits and made other possible changes to the letter which were neither anticipated nor reviewed and agreed to by Plaintiff. As a result, the filing is not in the spirit of a joint letter regarding the discovery dispute.

With the Court's approval, the parties will resubmit the joint letter no later than June 1, 2016 after meeting and conferring on the matter. The Defendant has been alerted of this motion.

DATED: May 27, 2016

Respectfully submitted,

PAUL SOMERS

ORDER

Plaintiff's motion is granted as unopposed. The parties shall re-file the joint letter by no later than June 10, 2016. The parties shall promptly lodge a chambers copy of their filing as required by Civil Local Rule 5-1. The parties are on notice that given the unusual length of their filing, the Court expects to schedule a further conference call later than originally anticipated.

IT IS SO ORDERED.
